

Brown Middle School Library Book Fund

The Brown PTO is offering a way of honoring your children's teachers as an alternative to teacher gift-giving (which is against Newton School Committee policy). Just fill in the form below and return it to the school office with a check payable to the "Brown PTO."

Donations may be anonymous or not, and may honor specific teachers or the faculty in general. Your donation will fund an appropriate book(s) selected by the school librarian. Honored faculty member(s) will be notified of your contribution.

This is a wonderful way to thank our dedicated teachers and to enrich our school's library! We appreciate your generosity and so will your children with the many wonderful books we will add to the collection.
